**The Humane Society of Vero Beach and Indian River County, Fl, Inc. founded in 1953, is dedicated to the humane treatment of all animals. In order to ensure the well-being of the animals adopted from the Shelter, the following Terms of Adoption have been established.**

### Terms of Adoption

- 1) Animals are available for adoption to both permanent and seasonal residents of Indian River County and its neighboring communities. Animals may be made available for adoption to residents of other counties and states should the Adoption Department determine that the animal will be living in a safe environment.
- 2) Per state law, all commonly adopted animals such as dogs, cats, ferrets and rabbits will be sterilized by HSVB & IRC prior to adoption. All pets will also be microchipped.
- 3) Dogs and cats must wear a collar and ID tags at all times unless crated.
- 4) Animals are placed as companions and not to work as guards, hunters or mousers.
- 5) All persons in the household should be involved in the selection of a pet. It is essential that the primary caretaker approve the selection. Animals may not be adopted as gifts.
- 6) Dogs may not be confined outdoors without supervision. Cats may only go outside if leashed and supervised.
- 7) Puppies and kittens under 3 months of age may be placed with children under the age of six years provided the Adoption Department determines there will be adequate supervision of the child and pet.
- 8) Animals may not be confined for indefinite periods of time in areas such as a crate, basement, laundry room or garage, or be tethered or chained. Animals requiring frequent attention such as young puppies or in some cases senior animals must not be left unattended for lengthy periods of time.
- 9) Animals must be maintained in accordance with the vaccination, licensing and other laws of the community where they reside.
- 10) No animals will be adopted to persons having an extensive history of animal abuse, losing, or giving away animals or of interpersonal violence.
- 11) Declawing of adopted cats as well as debarking, docking or cropping of adopted dogs is not permitted.
- 12) People living in rental housing must have the approval of their landlord prior to any adoption.
- 13) Adopted animals should be returned to HSVB & IRC if the owner can no longer care for the animal. The animal may be transferred to another person known to the adopter by contacting the Adoption Department. This helps us return animals to their home in the event they are lost.
- 14) The Humane Society of Vero Beach & Indian River County reserves the right to reclaim the animal if the adopter violates the Adoption Agreement and/or the animal is not receiving proper and humane treatment.

I agree to the above conditions and would like to adopt a pet.
